CONSENT FORM

I, the undersigned, hereby authorize the acupuncturists at the Acupuncture and Chinese Medicine Center (ACM Center), to perform the following specific procedures:

Acupuncture: Insertion of special sterilized needles through the skin, into the underlying tissues at specific points on the surface of the body.
Cupping: A technique that helps relieve symptoms and draws out toxins, involving filling a glass cup with hot air and placing it on the skin to create a vacuum suction.
Tuina: an ancient massage used to treat a wide variety of common disharmonies.
Chinese Herbs and Dietary Advice: Based on traditional Chinese medicine theory. These herbs may be given, to take internally or externally in the form of pills, powder, tinctures, pastes, or other forms.

I recognize the potential risk and benefit of these procedures as described below.

Potential risks: Discomfort, pain, numbness, tingling, infection and blistering at the site of procedure, needle sickness, nausea, vomiting, fainting, dizziness, broken needle, temporary discoloration of skin, loose bowels, abdominal cramping, and even possibly, temporary aggravation of symptoms existing prior to the acupuncture and herb treatment. Burns are a potential risk due to the use of heating lamps. Extremely rare risks include spontaneous miscarriage, nerve damage, and organ puncture, including lung puncture (pneumothorax). If I have severe bleeding disorders, pacemakers or become pregnant prior to treatment I will notify the acupuncturist who is caring for me. I understand that while this document describes the major risks of treatment, other side effects and risks may occur.

Potential benefits: Drugless relief of presenting symptoms and improved balance of bodily energies may lead to prevention or elimination of the presenting problem and strengthen the constitution.

With this knowledge, I voluntarily consent to the above procedures realizing that no guarantees have been given to me by the acupuncturists at the ACM Center, regarding the cure or improvement of my condition. I hereby, release the acupuncturists of the ACM Center from any and all liability, which may occur in connection with the above-mentioned procedures. I understand that I am free to withdraw my consent and to discontinue participation in these procedures at any time.

I acknowledge that all treatment records will be kept confidential in this office. I authorize the staff at ACM Center to leave messages at the following **telephone number** and/or **E-mail**:

Cancellation and Rescheduling Policy

As a courtesy, we request a 72-hour notice of cancellation for a patient's first initial visit when unable to keep the appointment. For follow up visits, if you need to cancel or reschedule your appointment, a 24-hour notice of cancellation is required. Therefore, we can make your time available to another person. If cancellation is made less than 24-hours before the appointment, you will be charged a cancellation fee of $35.00. If you fail to show up for your appointment without notifying us, you will be charged a full visit fee.

Herb and Supplement Return and Exchange Policy

Returns and exchanges must be made within **60** days of receipt. They must be unopened, in good condition and not expired.

Payment Policy

Payment is expected at the time of your visit. We accept checks, Visa and Mastercard, or cash. We provide a monthly statement that you may use to get reimbursement from your health care flexible spending account (FSA).

Acupuncture is not always covered by health insurance; please contact your insurance company to verify benefits for acupuncture treatment provided by a licensed Acupuncturist. You must inform us when you schedule your initial visit if insurance is going to be billed. We would need to have your basic information to verify insurance coverage prior to your appointment. We will collect your co-pay or estimated portion at the time of your visit.

As a service to you, providing you have acupuncture coverage and we are not a PPO provider, we will send claims to your health insurance or create a monthly statement for insurance reimbursement.

This policy was established for the benefit of both clients and practitioners. We appreciate your cooperation in this matter, and look forward to serving you in the future.

I have read and understand the above information of payment and cancellation policy.
